

ESTHETICS

AT STATERA, we believe in caring for the natural beauty of your skin both from the inside out and the outside in. In addition to our organic treatments, we work with you to address nutrition and other lifestyle factors that impact your skin. Regular facials and skin care treatments can slow the aging process, rejuvenate and hydrate skin, help clear acne, treat inflammatory skin conditions and promote an even skin tone.

Facials

Raw Vitamin Rejuvenator

Experience unrefined, raw nutrition bliss for your face with this balancing and brightening protocol. Normal and combination skin benefits from hydrating minerals from root herbs, collagen building silica from organic cucumbers and horsetail as well as antioxidant rich heather flowers. Fruit seed oils offer natural oil-based vitamins and breathable, all-day elasticity to skin. (Facial includes jade rolling or gua sha.)*

Serene Skin Infusion:

Dry and sensitive skin needs careful attention. Only the most soothing ingredients and anti-reactive herbs for this star quality treatment. Botanicals like oats, mushrooms and plantain provide potent compounds that directly reduce skin irritation and speed healing. Skin is left smoother and deeply nourished. (Facial includes jade rolling.)*

Herbal Problem Solver

Specially formulated for oily and acne-prone skin types, this facial is filled with anti-inflammatory herbs, minerals, and vitamins specially suited to reduce breakouts and redness. Gentle but effective raw celery enzymes exfoliate the skin to deliver balancing nutrients like Niacinamide further into the skin for even skin tone and hydration. (Facial includes extractions and direct high frequency.)*

Enhanced Longevity Treatment

Mature and dry skin receives careful attention with the most sophisticated ingredients. Powerful nourishing herbs like Maitake Mushrooms, hydrating sodium PCA, and stabilized, time-released Vitamin C keeps the skin energized and glowing. (Facial includes jade rolling and gua sha.)*
