## Danielle Barry, LE

Danielle Smethers is a licensed esthetician who graduated from Capri College in Dubuque, Iowa, in 2019. During her time at Capri, she received many advanced achievements and awards for her knowledge and service skills provided to her clients. She is trained extensively on product ingredients and service types to ensure she is able to effectively curate the perfect treatment plan for each person she works with. She loves to focus on customizing your service to achieve long-lasting results or even help you unwind and decompress after a long day. Her approach to each service is one that encompasses all the technical knowledge with a soothing, gentle touch.

In my free time, I enjoy spending time outdoors, hiking, kayaking, paddleboarding, and going for walks with my two dogs. You can also find me in the kitchen trying out new recipes or cooking all the classics. My family consists of my husband, Caleb, and our two dogs, Maeve and Finn.

I look forward to working with you on your skincare journey, whether you are looking for a new regimen with a results-driven focus or just to enjoy a self-care YOU day!
