Amber Horsley, DC, DCBCN

Amber Horsley is a licensed chiropractor who has also completed a post-doctoral program in nutrition. She assesses patients structurally, neurologically, and nutritionally to get to the root cause of pain, joint dysfunction, hormone imbalance, chronic infections, and digestive complaints.

At The Texas Chiropractic College in Houston, Texas, she excelled as valedictorian of her doctoral program and graduated summa cum laude in both her undergraduate and graduate studies.

I was born and raised in the Black Hills of South Dakota, which sparked my lasting love for the mountains and the outdoors. Her favorite pastimes are participating in Spartan races, hiking, camping, paddleboarding, and disc golf.

I met my husband, Nate, through our mutual love of music. After a decade in Houston, we have returned to our Midwest roots to raise our family. We enjoy being active in our church and community.
